Product Information

The Standard Picnic Table is a sturdy A-frame designed for enjoyable and comfortable outdoor dining. Made from durable, non-porous 100% recycled plastic, it is easy to clean and maintain, lasting up to five times longer than timber without the need for annual staining or painting. This eco-friendly table resists splits, chips, cracks, rot, fungus, and insect attacks. With a wood grain effect and available in a range of attractive colours, it enhances any outdoor space while recycling up to 2,100 milk bottles. Guaranteed maintenance-free for 25 years, it is resistant to elements and chemicals, and will not break in extreme weather conditions. It includes a standard parasol hole and is available as Standard, Wheelchair Access, or Junior sized.
